ARTARx Pharmacy Now Open!

The ARTARx pharmacy is open and ready to serve ARTA members — and the general public! Stop by on weekdays, between 9 a.m. and 5 p.m., to get your prescriptions filled, consult with our talented pharmacy team, and access a wide variety of pharmacy services. You don't have to belong to a specific benefit plan to use the pharmacy, or even be an ARTA member! Anyone can use and support ARTARx. And, when you use the ARTARx pharmacy, any fees you pay go directly towards improving and maintaining the ARTA Benefit Plans, leading to better coverage for all ARTA members in the future.

While anyone can use the pharmacy, services like free home delivery and remote consultations are only available to those who live in the Pharmacy Service Zone, which currently includes addresses in the Greater Edmonton Area. To see if your postal code is included, visit the pharmacy website.

If you have any questions about ARTARx services, visit our FAQ page, or call the pharmacy at 780-822-3784.

ARTA Turns 60: Reflecting on 1963

ARTA was founded in 1963, a whole 60 years ago! Things were pretty different back then. How many of us can remember what life was like back then, or what we were doing the year ARTA was founded? Retired teacher and ARTA member Margaret Ward can remember. She was in school, building friendships that would turn out to last a lifetime — she still sees them to this day, 60 years later.

Margaret remembers the 1960s in Alberta as a time of change, when women were gaining more opportunities to access education, to enter the workforce as respected professionals, and even to be the ones to work to support their families.

Follow the link below to read Margaret's story, and see how things have changed during ARTA's lifetime.
