

## Living and aging well in Alberta: measuring what matters

Join us for one of many interviews & online conversations we'll host in summer and fall 2022! Help shape AHS strategy!

**Learn more and register at**  
**<https://imaginecitizens.ca/healthy-aging-in-alberta-measuring-what-matters>**

**If you are an Albertan who is 65+ or care about someone who is, we want to listen and learn from you!**

ICN is partnering with AHS and U of A. We're adding a citizen voice to select quality indicators to measure work supporting older adults' health and well-being.
